## Impros/TBM Racing Hooker Impeller

\$289.95

With the release of the new 2008 Yamaha Super Jet, Impros designed an impeller for all Yamaha Super Jet owners that utilizes a swirl design and C-75 hub that works excellent with our Super Pump Cone. Â The large hub and superior blade design gives Yamaha riders the hook up, acceleration and top speed they desire. Â This impeller can be used in 1991 through 2008 Yamaha Super Jets with or without our Super Pump Cone. Â Available in a 10/16, 11/17, or 12/18 configuration with acceleration and top speed they desire. Â Available in a 10/16, 11/17, or 12/18 configuration without our Super Pump Cone. Â Ovailable in a 10/16, 11/17, or 12/18 configuration with a 26/145, height=23.0115ï; 1/2 ii 2/2 ii 2/2
