Yamaha Billet Head Cylinder Girdle Kit

\$149.00

Our Cylinder Girdle Kit is a simple yet highly effective way to prevent cracking of the cylinder mounting flange when raising compression, or installing aftermarket pipes or just riding in extreme conditions. Â Designed to fit our Yamaha 701 Billet Head the Cylinder Girdle Kit will offer that insurance youâ€™re looking for to protect your investment and look trick in the process. Â Kit includes billet girdle plate, custom studs, socket head cap bolts and installation instructions.
