TBM Closed Course/Offshore Intake grate for 2014+ FZ SVHO

\$269.95

TBM Racing is proud to announce the release of their new closed course intake grate for the new Yamaha FZ SVHO Waverunners. Developed with the help of Pro Racers Bo Dupriest and Troy Snyder, this grate provides for the ultimate in handling and hookup for the new FZ SVHO platform used in closed course and offshore racing conditions.

type=image,width=26.45,height=19.8375

Sand casted in the USA using aircraft grade aluminum and heat treated to 28 TBSF 504 Superior Strength and durability, these intake grates are significantly stronger than the OEM intake grate and built to withstand the high speeds of modified craft.
